

# The Science of Learning Well...Together

## Overview of Strategies to Promote Connection and Learning Regulation

### Strategy #1

#### **Hush Up and Work!**

*Support one another through a social - but silent - study session.*

### Strategy #2

#### **Remembering stuff!**

*Use effective retrieval strategies to consolidate memory of key concepts in a fun, social setting.*

### Strategy #3

#### **What do you think?**

*Engage in effective peer feedback for learning to improve each others understanding and performance.*
