If all of the Field/s you wish to add are not available to you on mySI-net, please email education@uq.edu.au with your name, student number and the Field/s you wish to add.

The School of Education student administrative staff will be checking your enrolment in Week 1. Staff will contact you if you not have enrolled correctly, to discuss your options. Please ensure that you enrol in all your chosen courses prior to Week 1 to allow for this check to be completed as soon as possible.

If you have further questions about this please contact the School of Education administration team by email on education@uq.edu.au or by telephone on 61 7 3365 6550.

General or Undeclared Plan

Students completing the Graduate Certificate or Graduate Diploma in Educational Studies programs may elect to complete an 'undeclared' plan. This means that they may choose any combination of courses from the Master of Educational Studies Course List from Parts B, C, or D only (not Part A), up to the required number of units for that program (#8 for GCert, #16 for GDip). This allows the flexibility to choose those courses that are of interest to them without being locked in to one or two Fields of Study.

Students commencing from 2015 in the Master of Educational Studies program must complete a Field of Study before they can graduate.
