INTERIM REPORT

Preservice teacher:	Subject Areas or Year levels:	
School Attended:	Practicum Dates:	

This report is to be completed by the supervising teacher (see Professional Experience Handbook for completion dates). It is intended to indicate the preservice teacher's performance and highlight any shortfalls in professional application, which require improvement in the remaining weeks of the placement.

By the end of this final professional experience placement, preservice teachers must be assessed as 'Graduate level' for all APST in order to pass the placement.

If at this point in the placement a preservice teacher is considered 'Developing Towards Graduate level' overall in <u>one or more sections</u> and/or a school has concerns, an **at-risk report** must be completed instead. <u>Please also</u> make contact with the UQ Professional Experience Facilitator to initiate the at-risk of failure process.

^{*}Please note that the at-risk process can be initiated at any point during the placement if there are concerns.
