## ENTRY REQUIREMENT #4

Do you meet the prior academic knowledge requirements of at least one curriculum area? You need to demonstrate knowledge in at least one curriculum area (see below) to meet the 'Prior academic knowledge' requirement of the program. For entry this requires:

***At least one year of full-time (or equivalent) study relevant to at least one learning area of the primary school curriculum in Australian schools.***

UQ considers the equivalent of 'one year of 'full-time' study as **eight courses/subjects**.

Click here to see some **Examples of Course Combinations** of previous courses studied may be eligible/ineligible in regards to this requirement.

### Primary Curriculum Areas

- English
- Mathematics
- Humanities and Social Sciences (History, Geography, Civics and Citizenship, Economics and Business)
- Science (including Psychology, Nursing and Midwifery)
- Technologies
- The Arts (Dance, Drama, Media Arts, Music, Visual Arts)
- Health and Physical Education
- Languages other than English

NO

You can consider additional study in teaching areas knowledge in order to meet prior academic knowledge requirements. Programs at UQ that have courses in such areas include the **Diploma in Arts** and the **Diploma in Science**.

YES

Your application appears as though it may meet the UQ entry requirements for the MTeach (Pri) program and we would encourage you to apply. You will still be required to submit a 'Non academic statement' via QTAC/International Admissions when you apply and this will also be assessed at the time of application.

*Please note this is a guide only and not an official assessment of an application. All applications must be assessed via QTAC/International Admissions and outcomes of that assessment are final.*
