

InPlace: How to update your registration details

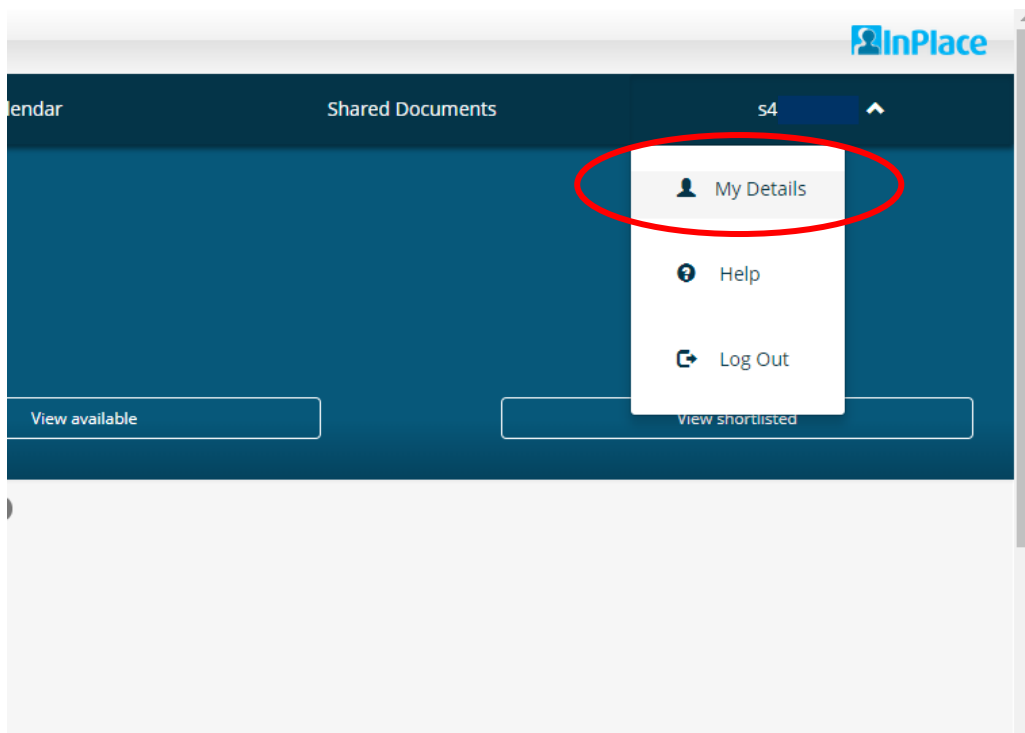

Step 1.

Log into InPlace by going to <https://signon.placements.uq.edu.au>

Step 2.

Go to your student number at the top right corner, then to 'My Details'

Step 3.

Scroll down to the 'Education Primary/Secondary Student Prerequisites' and expand the Practicum Course Codes. Add the course code you want to register for and click 'submit' when you're done. Do this for all fields that need updating.

Education Program Requirements
